

RS8Si Sandstone

WEATHERPROOF ROCK LOUDSPEAKERS

8" Two-way, Dual Tweeter High Performance Rock Loudspeaker

- Looks like natural sandstone
- Can be used in mono, two-speaker stereo, or single-speaker stereo input "Si" modes

8" RS Weatherproof Rock Loudspeakers**RS8Si Sandstone**Stock Number

FG01031

WOOFER TECHNOLOGY

- 8" injection-molded TCC (talc, carbon, and ceramic) filled polypropylene cone is extremely rigid to reduce breakup and lower distortion
- Butyl rubber cone surround damps resonance and provides exceptional durability
- Dual voice coils deliver both left and right channels from one speaker
- Cone Forward™ design positions drivers close to the grille and ensures intelligible midrange

TWEETER TECHNOLOGY

- Dual 1" tri-laminate Teteron domes with fluid-cooling and ultra-wide dispersion for clear and detailed high-frequencies
- Tweeters mounted at a 20° angles for optimum dispersion

SPECIFICATIONS

- Impedance: 4 ohms in two-speaker stereo mode; 8 ohms in single-speaker stereo input "SI" mode
- Recommended amplifier power: 10W to 200W
- Frequency response: 50Hz-21kHz +/-3dB
- Sensitivity: 88dB for 2.83V pink noise
- Dimensions: 12-1/2" high x 19-1/2" wide x 16-1/2" deep

Warranty: Five-year limited**Technology****GEOREALISTIC™ DESIGN**

Delivers stellar acoustical performance yet blends aesthetically into landscape features

WEATHERPROOF ENGINEERING

Enables RS Loudspeakers to handle extreme hot, cold and moist environments

STEREO INPUT "SI"

Provides stereo sound from a single speaker

CONE FORWARD DESIGN

Ensures living room quality sound outdoors

ADVANCED MATERIAL SCIENCE

Elevates appearance and longevity of the cabinet and grille and enhances the performance of the woofers, tweeters and crossovers

Details**GEOREALISTIC™ AESTHETICS**

Integrates seamlessly with every landscape setting from the sands of Scottsdale, the granite of Gaithersburg to the coral of Coco Beach

TETERON TWEETERS IN ANGLED TWEETER PODS

Provide smooth and clear treble sounds over wide listening areas

INJECTION MOLDED TCC WOOFERS WITH BUTYL RUBBER SURROUNDS

Produce crisp, clean bass and provide outstanding weather resistance

SECURITY BRACKET AND CABLE

Supplied accessory accommodates a variety of quick and easy security solutions

PRE-ATTACHED BURIAL RATED CONNECTION CABLE

Facilitates quick installation and provides years of trouble-free operation

WATERPROOF WIRE NUTS

Repel moisture and ensure positive connections in virtually any conditions over long periods of time
